For casual learners, the psychological barrier of unfamiliarity can be huge. PowerBait comes in many consistencies and colors but they really do work to catch bluegills. A nice summary of the kinds of features found in native XML databases and the variations in how those features are actually implemented. I know some people promote their free book download via email and social media Facebook, Twitter. We believe that only if each of us - those dealing directly with clients, as well as those who support client contact people - assumes personal responsibility for the financial success of every client we come in contact with, will their success be assured.
