Structural engineer William LeMessurier has designed a skyscraper nearly one half mile high, twice as tall as the Sears Tower. The organization was active throughout the country and wanted to conquer all of Vietnam from its revolutionary base in northern Vietnam. The exaggeration of the feminine aspect is manifested in the intensification of all female instincts, especially the maternal instinct; the negative aspect of this hypertrophy is seen in women to whom the husband is merely an object to be looked after, aside from his procreative function.
