Lorraine - A Free Spirit

Kim Andrew stressed that Kirn's definition of 'cunt' as "the A-bomb of the English language" does not apply to the UK, where it is used more freely than in America: "The word cunt is only an "A-bomb" in American English. Browse more episodes from this program or subscribe to the podcast feed.

A Brief History of Chinese and Japanese Civilizations

Furthermore, the doctors prove to be impotent and even ridiculous, when faced with the devious meandering of the

war-damaged consciousness: To his patients he gave three-quarters of an hour; and if in this exacting science which has to do with what, after all, we know nothing about - the nervous system, the human brain - a doctor loses his sense of proportion, as a doctor he fails. Pastor Warren encourages you to identify and confront what drains peace from your life.
