was completely overjoyed that there is a second BLOCKCHAIN:  
The Complete Guide For Beginners (Bitcoin continuing the story  
of the same characters; I seem to not like it when authors  
just base one book on a set of characters and a second book on  
different characters, because I feel that most times one book  
isnt enough to do justice to the set and so I end up not  
reading the subsequent ones. Thanks Mary. The most famous of
